Ash and Silver: A Sanctuary Novel Carol Berg

In *Dust and Light*, national bestselling author Carol Berg returned to the world of the award-winning *Flesh and Spirit*. Now she continues the saga of a man whose past is veiled in shadows....

Ever since the Order of the *Equites Cineré* stole his memory, his name, and his heart, thinking about the past makes Greenshank's head ache. After two years of rigorous training, he is almost ready to embrace the mission of the Order—to use selfless magic to heal the troubles of Navronne. But on his first assignment alone, the past comes racing back, threatening to drown him in conspiracy, grief, and murder.

He is Lucian de Remeni—a sorcerer whose magical bents for portraiture and history threaten the safety of the earth and the future of the war-riven kingdom of Navronne. He just can't remember how or why.

Fighting to unravel the mysteries of his power, Lucian must trace threads of corruption that reach from the Pureblood Registry into the Order itself, the truth hidden two centuries in the past and beyond the boundaries of the world...
