Encyclopedia of Law and Society: American and Global Perspectives (Three Volume Set) (v. 1-3)

David S. Clark

The **Encyclopedia of Law and Society** is the largest comprehensive and international treatment of the law and society field. With an Advisory Board of 62 members from 20 countries and six continents, the three volumes of this state-of-the-art resource represent interdisciplinary perspectives on law from sociology, criminology, cultural anthropology, political science, social psychology, and economics. By globalizing the **Encyclopedia's** coverage, American and international law and society will be better understood within its historical and comparative context.
