Are you a female desirous of making your man fall in love with you? Have you tried to make him to and the more you try the more he seems not to be looking your way? Have you lost a man before or on the verge of losing him simply because he is not in love with you?

This book – ‘How to Make a Man Fall in Love with you and Stay with you’, is a book that has been put together to include proven and tested principles with particular understanding of how the male-gender operates in terms of issues of love. This is not a compilation put together simply for wanting information or details to sell this book. On the contrary the issues raised and discussed in this book have been put together based purely on research. Discussions were conducted with males to find out how they viewed issues of falling in love, what makes them fall in love and what makes them not fall in love with a woman. So dear reader, you are indeed in great hands. Reading this book will open to you, a great world of understanding of the male gender and the way they reason.

During the course of reading this book you will be able to discover and understand:

- What falling in love means to a man
- How to know when a man is in love with you
- Things to do to make a man fall in love with you
- How to make a man not only fall in love with you but stay in love with you
