The Israeli-Palestinian conflict is one of the most prominent issues in world politics today. Few other issues have dominated the world's headlines and have attracted such attention from policy makers, the academic community, political analysts, and the world's media.

The *Routledge Handbook on the Israeli- Palestinian Conflict* offers a comprehensive and accessible overview of the most contentious and protracted political issue in the Middle East. Bringing together a range of top experts from Israel, Palestine, Europe and North America the Handbook tackles a range of topics including:
