Russell Chatham: One Hundred Paintings Russell Chatham, Jim Harrison, Chris Waddington

Russell Chatham's landscapes are inhabited by moving light and shadow, sun-blasted hills and soft rivers, looming mountains and melancholy trees. He belongs to no current movement, lives far from the bicoastal art world, and his paintings consequently defy easy description. This volume, published in conjunction with a retrospective exhibition at the Museum of the Rockies, includes Chatham's early oils from Northern California as well as the Montana paintings that have brought him national acclaim.
