The Holy City: A Novel Patrick McCabe

A disturbing and darkly funny new novel from the award-winning author of *Breakfast on Pluto*, *The Butcher Boy*, and *Winterwood*.

In this hypnotic novel, Chris McCool, the dandyish, debonair playboy of a small and insulated community called the Happy Club, reflects on his two lives: the one he lives and the darker one he's tried hard to forget. The illegitimate son of a rich Protestant landowner's wife and a poor Catholic farmer, Chris wanted to be a sixties swinger?driving a Ford Cortina, owning a pair of purple velvet flares?but, despite his good intentions, could not overcome the mysteries and regrets of his own upbringing.

With a series of deftly Freudian flourishes, McCabe gives us a narrator whose own insecurities, and most importantly his obsession with a young Catholic Nigerian boy named Marcus Otoyoy, prevent him from seeing the truth about what he is capable of. Are Chris's inner struggles with his parentage and religion merely personal quests?or do they mask an angrier, more dangerous person beneath?

Tense, artful, and eerily compelling, *The Holy City* is a novel of faith, anxiety, and dark secrets, with a stunning and brilliant conclusion.

From reader reviews:

George Hinnenkamp:

Your reading 6th sense will not betray you, why because this The Holy City: A Novel e-book written by well-known writer whose to say well how to make book that can be understand by anyone who have read the book. Written throughout good manner for you, still dripping wet every ideas and composing skill only for eliminate your own hunger then you still uncertainty The Holy City: A Novel as good book not just by the cover but also from the content. This is one reserve that can break don't determine book by its cover, so do you still needing yet another sixth sense to pick this!? Oh come on your looking at sixth sense already alerted you so why you have to listening to one more sixth sense.

Maryann Goldberg:

Is it a person who having spare time in that case spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This The Holy City: A Novel can be the solution, oh how comes? The new book you know. You are therefore out of date, spending your time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?

Marlene Childs:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just little students that has reading's heart or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Holy City: A Novel can make you truly feel more interested to read.

Denise Church:

Reserve is one of source of know-how. We can add our information from it. Not only for students but in addition native or citizen require book to know the update information of year to be able to year. As we know those ebooks have many advantages. Beside we all add our knowledge, could also bring us to around the world. By the book The Holy City: A Novel we can get more advantage. Don't one to be creative people? Being creative person must like to read a book. Just choose the best book that ideal with your aim. Don't end up being doubt to change your life by this book The Holy City: A Novel. You can more desirable than now.
