Bad Romance: A Stepbrother Novel Jen McLaughlin

In this explosive novel from bestselling author Jen McLaughlin, a good girl falls for the ultimate bad boy: her stepbrother. Perfect for fans of Sabrina Paige, Caitlin Daire, and Krista Lakes, *Bad Romance* proves that passion can be so wrong it's right.

Seven years in the army will change a guy. But after a shoulder wound ends his career as a sniper, Jackson Worthington finds himself back home, fighting a battle that's all too familiar: keeping his hands off Lily Hastings. She's still her rich daddy's little angel, innocent, impossibly lovely, as squeaky-clean as Jackson is dirty. And she's still his stepsister—forbidden but not forgotten, not after the soul-melting kiss that got him kicked out of the house at eighteen. He couldn't resist her then. How the hell can he resist her now?

Lily is about to marry a man she doesn't love, and commit to a high-stress job she hates, all to please the father who controls every waking moment of her life. On top of everything, her teenage crush is back, with a sleek, chiseled body and a trace of the rebellious boy whose lips sealed her fate. Jackson's timing couldn't be worse . . . or better. Because Lily's all grown up, too. She's aching for another taste. And for the first time, she's ready to be a bad girl.
