Eighteen years ago, Maci Knight's family was destroyed when Aurora Falcon killed her mother. Now Aurora's partner, Felix, has kidnapped Maci's brother. For five long months, there's been no sign of Max. His Codex is offline and she can't feel even the slightest trace of his power. Maci refuses to give up hope, but when a new threat on King City emerges, Maci is ordered to abandon her search.

Somehow Felix has managed to do the unthinkable: repower all the villains that Central has depowered over the years. Now they've banded together to get revenge on the Supers who wronged them. What feels like an arduous mission becomes an opportunity when Maci realizes that if she can stop the villains, she can get them to lead her to Felix—and her brother.

In the action-packed conclusion of the City of Legends trilogy, Maci vows to save her city and bring her family back together—no matter the cost.
