Las Hienas / Bestiario colonial (Spanish Edition) Carlos Lopez Dzur

Esta es la Primera Parte de una novela sobre la clase política que se ha entronizado en Puerto Rico, una que ataca en manadas a los más indefensos, pues, además estos especímenes hiénicos son cobardes y no cazan solos. Necesitan a sus instituciones cómplices, el partido y la mediática canalla, mas la fuerza de un Estado que ya no sirve al pueblo. De los años nefandos de Romero Barceló, Rosselló, Fortuño al presente, la mitología colonial se ha enriquecido, sin desaparecer las decenas de esos seres que, como símbolos, desde la antigüedad a hoy y, en cualquier país en que estén, han representado la maldad, la cobardía, la burla. el cinismo y la histeria del oportunismo.
