Rain, rain, go away . . . actually, after seeing this activity book, kids will say: Rain, rain, please STAY! It's so chock-full of fun things that it won't matter what the weather is like. Children will never be bored when they can create a drawing of what a rooster might look like as a robot, finish silly sentences, and solve mini-crosswords. Or maybe they'll lose their marbles playing the "Lost Your Marbles?" word search game. Budding fashionistas can design a t-shirt on the page (and maybe a real one), while future rock 'n' roll stars can pick the perfect band name by picking from a word list or by randomly choosing phrases from the dictionary. A few games are meant for two—just in case a friend's around. With tongue twisters to make you snort, "off with its head" fill-ins (where you chop off the first letter), and classic riddles and conundrums, you won't care how hard it pours!
