Can a normal person enter the presence of Christ or is that something that only happened for biblical characters? Maybe that question leads you to ask "What does it even mean to be in Jesus' presence?" In *How to Worship Jesus Christ*, Joseph Carroll explains what it means to enter Christ's presence and that it is something available to every Christian - through true worship.

There is much more to truly worshipping Jesus than simply church services and personal devotions. True worship requires complete commitment of emotions, intellect, and will, but the reward is great. Carroll points the reader into the presence of Christ by teaching practical steps of personal worship. He also draws on the habits and experiences of some of history's greatest saints to serve as examples and guides.

This deeply practical and personal book will help you know Jesus more intimately on a daily basis. It will draw readers close to Christ in a real way, to experience His presence, and to worship Him in ways far better than what most imagine to be possible.
