Natural Antibiotics: The 10 Most Helpful Natural Remedies to Protect and Cure You from Illness (Natural Antibiotics books, natural antibiotics and antivirals, natural antibiotics homemade) Michael King

Do you often worry about the pills you're ingesting on a daily basis that has been given to you by your primary care provider?

Have you been reading up on some worrisome things about synthetic antibiotics, also known as the antibiotics you receive from the hospital or a doctor?

There are many out there just like you who are worried about what they're putting into their bodies. They're finding out that the antibiotics, recently discovered in the early 1900's, are actually not as beneficial to our systems as they once thought. In fact, antibiotics created in laboratories are now creating 'superbugs' or antibiotic resistant bacteria that are causing some serious complications across the globe.

If you don't want to be a part of the creation of antibiotic resistant bacteria or at least want to know more about alternatives you can use in lieu of antibiotics prescribed by your regular doctor, then you might want to take a peek at this book. In it, you'll find information pertaining to the following:

Here is what you will learn after reading this book:

- The difference between bacterial and viral infections.
- Why you shouldn't use antibiotics for minor illnesses
- How to use natural antibiotics.
- The top ten antibiotics use today to prevent and cure infections, both bacterial and viral!
