Pericles and the Golden Age of Athens

Evelyn Abbott

Pericles and the Golden Age of Athens Evelyn Abbott

"This sketch of the Age of Pericles consists of two parts: in the first and larger part I have endeavoured to trace the growth of the Athenian empire and the causes which alienated Athens and Sparta; in the second I have given a brief account of the government, the art and literature, the society and manners of the Periclean Athens. (...) In what then did his greatness lie? The answer is that it lay in the ideals which he cherished. He saw what a city might do for her citizens; and what citizens might do for their city. In the years of peace his dreams took shape, and the result is before us in the Parthenon and the great Funeral Speech: but against the hard obstinacy of facts, which followed the outbreak of the war, he struggled in vain. His visions of empire faded away, and he lived long enough to see the treasury impoverished, the people more than decimated, the most faithful of Athenian allies shut up to certain destruction..." - Evelyn Abbott

Contents: The Alcmaeonidæ. Xanthippus and Themistocles. The Congress at Corinth, and the Delian League. The Early Years of the Delian League. The Fall of Pausanias and Themistocles.
