The Answer to the Atheist's Handbook

Richard Wurmbrand

The Answer to the Atheist's Handbook Richard Wurmbrand

Rev. Wurmbrand languished for fourteen years in Communist prisons. Though beaten and starved, he never broke. Having passed through hell on earth, this courageous Romanian pastor emerged with a burning love for God and his fellow man.

In this remarkable book, conceived while he was in solitary confinement, Wurmbrand demolishes the arguments for atheism as presented by the Soviet Academy of Science in its Atheist's Handbook.

Throughout the Communist world, people who wanted to get ahead had to master The Atheist's Handbook. Its teachings were drilled into children at school. But Wurmbrand demonstrates that the atheist creed leaves more questions unanswered than it professes to settle. On the positive side, he marshals the testimony of artists, musicians, writers, philosophers, scientists, statesmen, and saints--all of whom bear eloquent witness to the reality of God.

With the sparkling sense of humor that helped sustain him through unspeakable sufferings, Wurmbrand tells the story of God's love for us in language anyone can understand. Is there a God? Does He care about man? Can we trust what the Scriptures tell us about Him? Yes, says Rev. Richard Wurmbrand, in a ringing affirmation of faith that comes from the heart--and from the head.
