**For lovers of the 12 Bones restaurant as well as fans of progressive 'cue, *12 Bones Smokehouse* includes signature recipes and techniques for ribs, pulled pork, and all the fixin's.**

When 12 Bones Smokehouse opened in Asheville, North Carolina, many doubted that it would succeed. From a squat building in a flood plain, the owners were serving up creative barbecue that wasn't 100-percent true to any single region. Yet a decade later, 12 Bones is a local institution that rivals the Biltmore Estate in popularity. (In fact, it's 12 Bones alone that has been on President Obama's itinerary all three times he's passed through Asheville.)

The *12 Bones Smokehouse* book is true to the spirit of the place. Everything is made from scratch--and cornbread is not optional. Inside you'll find all the classics: from the famous ribs to smoky pork, turkey, and chicken. And just like the restaurant, the book is uniquely vegetarian-friendly by barbecue standards. From tangy Pickled Okra Salad to savory Jalapeno Cheese Grits, everyone will find something to love. Addictive desserts and flavor-packed rubs and sauces--including the famous Blueberry-Chipotle Barbecue Sauce--are all here, too. So if you can't make it to 12 Bones this week, now you have the next best thing.
