A Blossoming Love

Becky Martin knows that she can't stay at James O'Brien's apple farm forever, but she wishes she could. After her brother framed her for arson, she flees Chicago, traveling cross-country to California and finding work caring for James's ailing mother. Beneath the apple blossoms, it's almost as if she has a real family...but her secret won't stay buried forever.

James, scarred from an explosion, didn't expect to connect to the pretty young traveler. Could she really love someone damaged like him? He knows she's hiding something. If only she'd trust him. Can she let go of her past and believe in the possibility of a future amid the apple trees?
