Badass: A Stepbrother SEAL Romance

Linda Barlow, Alana Albertson

Badass: A Stepbrother SEAL Romance Linda Barlow, Alana Albertson

I f**ked a SEAL—the human kind, the kind who shoots terrorists, sports rock hard abs and tattooed biceps, and scores an easy lay with every girl he ever wants. I should’ve known better. I should be studying harbor seals’ native habits, not conducting my own research into mating rituals of the Navy variety. He’s a jackass. An arrogant, womanizing, patronizing, Harley-riding jerk. A one-night stand. One night of the most incredible sex I’ve ever had. Shane is trained to kill with his bare hands in 300 different ways—and he knows 300 ways to f**k me, too. Now my father is engaged to his mother. And we’re heading to Mexico for the wedding. The prick is blackmailing me. He’s threatening to ruin their big day if I don’t surrender to his demands. Quit is not in his vocabulary. I hate him, but I know he’ll never give up until he gets everything he wants. Screw that! I won’t give up—I’ll never submit to America’s cockiest badass.

David George:

Reading a book to be new life style in this 12 months; every people loves to examine a book. When you learn a book you can get a wide range of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what sorts of book that you have read. If you want to get information about your examine, you can read education books, but if you want to entertain yourself you are able to a fiction books, these us novel, comics, and soon. The Badass: A Stepbrother SEAL Romance provide you with a new experience in examining a book.

Scott Burnett:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Badass: A Stepbrother SEAL Romance can make you experience more interested to read.
