Saints: A Year in Faith and Art Rosa Giorgi

Every Catholic saint, local and liturgical, is honoured on a particular day of the year. In many cases, an order of precedence has been worked out to determine which saints are most important. In "Saints", Rosa Giorgi has chosen up to three saints for every day of the year, along with representations of those saints ranging from world-famous works of art to more modern depictions. From a wide variety of sources, Giorgi has composed a short explanation of each saint to accompany the illustration, including etymology of names, historical background, occupations, cities and countries of patronage. Although many well-known saints are depicted, including Francis of Assisi, Joan of Arc and Thomas Aquinas, some relatively obscure saints are pictured as well.
