Jake Knew Something Was Wrong.

But He Never Guessed *How* Wrong.

A relaxing day of rock climbing takes a disturbing turn when Kayden McKenna's route brings her face-to-face with a dead climber. Is it a terrible accident or something darker? When the case is handed to overburdened sheriff Landon Grainger, he turns to Jake Westin for help. With Jake's past now revealed, he's ready to use his talent for investigation again--but he could never prepare for where the mystery will take him.

Kayden's climbing expertise soon leads her and Jake to the realization that the death was no accident. And worse, it seems the killer is onto them. When strange things begin happening in Yancey, Jake is terrified that once again his world may put someone he loves in danger. But the truth is far worse than he could ever imagine.
