The full series is

Enthralled by Design

Isabelle Diamond works like a demon trying to establish herself as a successful interior designer in New York City. She is desperate to get the job of designing billionaire Cassian Lyonne's fabulous penthouse and makes him an offer she might live to regret. He knows she wants it and keeps her waiting and she hates him for it.

Isabelle dreams of a man who gets that she's not a ballbuster, that she's afraid to trust after a recent emotional thrashing from her ex, Matt. But Cassian is only interested in dating supermodels and demands that she be strong and in control of the construction crew that work for her.

When Isabelle discovers the secret room that Cassian has kept hidden from her design, her curiosity explodes and she enters an agreement that could consume her. Cassian has planned how to force her into submission.

Enthralled by Exposure

Isabelle Diamond emerges from the closet of surrender in a white hot rage at Cassian Lyonne, the client whose Manhattan penthouse she's designing. Yet again he has pulled himself away from being close to her, this time, leaving her alone and completely exposed.

Worse, she came to realize that she enjoyed it!

Despite revealing every sensual cell in her body, Isabelle swears aloud that she will have vengeance for his treatment of her.

But nothing and no one is who or what they appear to be and Cassian Lyonne is determined that Isabelle will belong to him.

Enthralled by Eternity

Isabelle trapped between two supernatural beings has no idea whether Cassian has vanished on her again, or whether he and her ex, Matt, are one and the same creature.

When Cassian's supermodel would-be girlfriend, Aliane, appears and uses Matt as her puppet monster, Isabelle is sure that it must be her nemesis who has been in control all along.

But there is a larger power than all of them seeking connection with Isabelle and only Cassian has the answers she's looking for.
