From Leenane to L.A.: The Theatre and Cinema of Martin McDonagh Eamonn Jordan

As a playwright, screenwriter, and film director, Martin McDonagh has amassed an exceptional body of work since the premiere of the controversial, hugely successful, and career altering *The Beauty Queen of Leenane* in 1996. This renowned work was followed by acclaimed and award winning plays and films, such as *The Lieutenant of Inishmore*, *The Pillowman*, *Six Shooter*, *In Bruges*, and *Seven Psychopaths*. Now available in paperback, this wide ranging study considers the broad spectrum of influences on McDonagh's writing, his intricate dramaturgy, and complex relationships between the plays and their theatrical and broader social contexts. The book cogently, uniquely, and comprehensively articulates the elusive spirit and transgressive theatricality of one of the most notorious, unique, successful, and inspiring talents writing today.
