Michael and Jenna's Christian Domestic Discipline Marriage features all the stories in the Christian Domestic Discipline Marriage series:

Jenna's Punishment Spanking (Christian Domestic Discipline Marriage #1) – During a disagreement, Jenna storms out of the house without telling her husband where she's going. Michael is worried sick over his wife's whereabouts, and he's determined to put a stop to her irresponsible behavior. He's a Christian man who believes it's his right to discipline his wife, and when Jenna returns they have a reckoning - with Jenna bent over the bed, her bottom bared, and Michael giving her a taste of his thick leather belt. Will Michael's decision to spank bring peace to their marriage?

Jenna's Reminder Spanking (Christian Domestic Discipline Marriage #2) – Until now, Michael has only given Jenna punishment spankings. He's going out of town for the weekend though, and he wants to make sure his wife is on her best behavior. She's resistant to the idea of a 'reminder spanking' and tries to talk her way out of it. Michael remains firm and takes her over his lap despite her protests. Will Jenna continue to resist him? And how will she react when he spreads her bottom cheeks and punishes her in a new, intimate way?

Jenna's Hairbrush Spanking (Christian Domestic Discipline Marriage #3) – When Michael tells Jenna he's going to spank her on her birthday, she panics. Until now, he's only given her punishment and reminder spankings, and those hurt. So she lies. She tells her husband she's not feeling well in hopes of escaping her birthday spanking. This turns out to be a big mistake. He unbuttons the drop seat of her footie pajamas and takes her temperature . . . the old-fashioned way! Then he announces she's getting a hard, over the knee, bare bottom spanking with a hairbrush. Will this disobedient wife learn her lesson?

Jenna's Bathtime Spanking (Christian Domestic Discipline Marriage #4) – Michael forbids Jenna from dining at one of her favorite restaurants due to a string of muggings in the area. She promises to obey, but one night her friends talk her into having dinner there. She thinks she's gotten away with it, but the restaurant calls to say she left her bank card on the table, and her husband intercepts the phone call. Michael confronts Jenna while she's taking a bath and decides to punish her on the spot. Will Jenna be able to hold still and accept her punishment, even when he applies the bath brush to her wet, soapy bottom?
