Star Witness D. W. Buffa

Attorney Joseph Antonelli tackles a case overflowing with greed and glamour, moviemaking, and murder in this new thriller in the Edgar Award-nominated series.

Star Witness is about a man on trial for murder-a man recognized as one of the film industry's most successful writer/ directors, a man of almost mythic drive and talent, and someone who looks more guilty with every passing witness. Attorney Joseph Antonelli-suave, philosophical, fearless-takes up the director's defense for the murder of his wife, the actress every woman wants to be and every man wants to possess. Despite Antonelli's examination of the prosecution's witnesses, the jury finds fewer and fewer reasons to doubt. Then the director shows Antonelli the script he considers his masterpiece-a re-imagining of Orson Welles's *Citizen Kane*-with a visionary film director as its hero. In this story-within-a-story, the accused reveals his version of the tragedy-the secrets of his marriage, and the ominous events that led to his wife's death. In it we see the way art can imitate life-and unmask a killer even the court can't find.

Star Witness is a stunning novel about the nature of fame and the ever-confusing intersection of truth and fantasy, dream and desire-a rich tale of Hollywood unlike one you've read in many years.

From reader reviews:

Charles Settles:

Nowadays reading books be a little more than want or need but also get a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge even the information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want have more knowledge just go with knowledge books but if you want really feel happy read one with theme for entertaining for example comic or novel. The actual Star Witness is kind of publication which is giving the reader unstable experience.

William Burns:

Information is provisions for individuals to get better life, information these days can get by anyone in everywhere. The information can be a information or any news even restricted. What people must be consider while those information which is within the former life are challenging be find than now's taking seriously which one is suitable to believe or which one the particular resource are convinced. If you obtain the unstable resource then you have it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Star Witness as your daily resource information.

Richard Ault:

As we know that book is important thing to add our expertise for everything. By a guide we can know everything we want. A book is a set of written, printed, illustrated or maybe blank sheet. Every year was exactly added. This guide Star Witness was filled concerning science. Spend your spare time to add your knowledge about your scientific disciplines competence. Some people has diverse feel when they reading a new book. If you know how big benefit of a book, you can sense enjoy to read a reserve. In the modern era like currently, many ways to get book which you wanted.

Catherine Gober:

A lot of guide has printed but it is unique. You can get it by web on social media. You can choose the best book for you, science, comedy, novel, or whatever by searching from it. It is identified as of book Star Witness. Contain your knowledge by it. Without causing the printed book, it can add your knowledge and make an individual happier to read. It is most critical that, you must aware about publication. It can bring you from one destination for a other place.
