Wolf vs Bat (Shifter Royalty Book 2) Jason Nichols

Four years after becoming the King of the Wolf Shifter Kingdom, Riley rescues a Prince from the Bat Shifter Kingdom named Anghel. A small group of humans in Transylvania had seen them transforming and took to the forest with fire killing the King, Queen and Heir to the Crown of the Bats. Anghel stood second in line to the throne and now with his parents and sister dead, Anghel assumes the crown and so much more.

After Anghel is rescued, he is stunned to find his mate, Riley the Wolf King, taking care of him. At first he balks but Nature will have her way. Will Riley be the sub Anghel has always needed for his inner Dom? Shifting Royalty from around the world is descending on Romania and will come to bear witness. But is all right within the Bat and Wolf Kingdoms or does someone have a problem? More impossible intense sexual scenes await within.
