Pondering Tidbits Of Truth (Volume 1) Michael Seagriff

You will find 100 quotations here. Some may be familiar to you. Others maybe not so much. All offer much fruit for your reflection and contemplation. I offer no apology for the frequent appearance of the Venerable Fulton J. Sheen – his clear and courageous voice is needed in our times. This is my challenge to all who come upon this little book. Carry it with you or put it on your Kindle, tablet, laptop, android or I-phone so it will always be readily accessible at those times when you can steal a few minutes away from the hustle and demands of daily life to think about “what is above”. Read these words and ponder them, asking God to let you understand what He wants you to learn from this material. I suspect if you do as I have suggested, five things will happen: you will not tire of re-reading these truths from time to time; you will become hungry for additional spiritual nourishment; you will be eager to give Our Lord even more of your time; you may even begin sharing with family and friends what you have learned – the fruits of your contemplation; and you will want to get a copy of my other book, Forgotten Truths To Set Faith Afire! Words to Challenge, Inspire and Instruct – at least I hope you will.
