What I Did On My Rock n' Roll Vacation is the story of friendship, life and good old fashioned rock n' roll. It is a true-to-life fictional tale of a group of friends that put a band together, even though none of them have any musical talent what-so-ever. After being signed by a local producer as a national media experiment, to see if they could brainwash a nation into liking the worst band on the planet, they tour the country and grow up in the process. It is a wild and scary roller coaster ride through the world of music, life and living your dreams at all costs. The book features a foreword by music legend Ronnie Hawkins, and original quotes from some of Canada's most prominent musicians, written only for this novel, such as Brad Roberts (Crash Test Dummies), Safwan Javed (Wide Mouth Mason), Brian Vollmer (Helix), Joey Keithley (DOA), Tim White (Headstones) and Dave Bidini (Rheostatics).
