Captive Dreams

Michael Flynn

Captive Dreams Michael Flynn

'Mike Flynn's stories begin by intriguing your brain and end by piercing your heart. Few other writers can combine cutting-edge science and emotional situations with Flynn's skill and sensitivity. Read these stories, and you will never forget Mae Holloway, nor Ethan Seakirt, nor Karen Brusco, nor any of the others who must live with the dilemmas that even the most hopeful science can bring.'--New York Times Bestselling Author Nancy Kress Fine literary writing meets Science Fiction. A thematic tour-de-force exploring the concept of being human through the eyes of imperfect protagonists struggling with their demons. More than just great SF, these are just great stories told with style, wit and sensitivity. Six memorable stories, each independent, but each tangentially touching on the others. *Melodies of the Heart, Captive Dreams, Hopeful Monsters, Places Where the Roads Don't Go, Remember'd Kisses, Buried Hopes*

'Michael Flynn has quietly become one of the best sf writers of our time. CAPTIVE DREAMS shows his intelligence, his compassion, and the dry wit with which he seasons them both. Don't miss it!'--New York Times Bestselling Author Harry Turtledove
