Cartier in the 20th Century

Margaret Young-Sanchez

Cartier in the 20th Century Margaret Young-Sanchez

Created with the expertise of Cartier Heritage, this exquisite book showcases the rich holdings of the Cartier Collection and archive. It features not only a sumptuous array of rings, bracelets, necklaces, and tiaras, but also cocktail and smoking accessories, mystery clocks, and lavish objects created by Cartier's ateliers in Paris, London, and New York. Organized thematically, the book features magnificent jewels and accessories owned by such arbiters of taste as Daisy Fellowes, the Duchess of Windsor, Princess Grace, Barbara Hutton, and Elizabeth Taylor. Throughout, specially commissioned photographs of Cartier's legendary jewels are accompanied by vintage photographs—drawn from the Condé Nast and Cartier archives—of these royals, socialites, and Hollywood stars in their Cartier finery, including work by Steichen, Horst, Beaton, and Charbonneau.

From reader reviews:

Bernard Martin:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each publication has different aim or even goal; it means that reserve has different type. Some people truly feel enjoy to spend their time for you to read a book. They are really reading whatever they get because their hobby is usually reading a book. What about the person who don't like looking at a book? Sometime, person feel need book whenever they found difficult problem or perhaps exercise. Well, probably you'll have this Cartier in the 20th Century.

James Cooper:

What do you with regards to book? It is not important along with you? Or just adding material when you want something to explain what your own problem? How about your time? Or are you busy particular person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every person has many questions above. The doctor has to answer that question because just their can do that. It said that about guide. Book is familiar in each person. Yes, it is appropriate. Because start from on kindergarten until university need this kind of Cartier in the 20th Century to read.

Judith Smith:

As people who live in the modest era should be revise about what going on or data even knowledge to make all of them keep up with the era which is always change and move ahead. Some of you maybe will certainly update themselves by looking at books. It is a good choice to suit your needs but the problems coming to you actually is you don't know which one you should start with. This Cartier in the 20th Century is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Sean Mills:

The actual book Cartier in the 20th Century will bring you to the new experience of reading the book. The author style to clarify the idea is very unique. In the event you try to find new book to study, this book very ideal to you. The book Cartier in the 20th Century is much recommended to you to learn.
