Going Back To Work: A Survival Guide for Comeback Moms

Mary W. Quigley, Loretta E. Kaufman

Going Back To Work: A Survival Guide for Comeback Moms Mary W. Quigley, Loretta E. Kaufman
Essential information and strategies for recharging a career or starting a new one.

The most comprehensive resource for any woman thinking about taking the plunge back into the workforce.

Women who left their careers to raise children-whether just for the toddler years or until the nest is empty-face economic and emotional challenges when deciding to go back to work. *Going Back to Work* is a rich trove of data and ideas to ease what can be a tough transition. Quigley and Kaufman have zeroed in on strategies that succeeded for women who have gone back to work, and frame the key questions involved in making the decision. Inside this book, you'll learn how to:

- Explain that big gap on the resume
- Understand that there may be no "perfect moment" to go back and why
- Recharge an abandoned career or start anew
- Find work with flexibility
- Face family challenges when mommy's role changes
- Say no to a new boss
- Negotiate everything from salary to flextime

Based on a national survey of 1,000 women and dozens of personal interviews, *Going Back to Work* is the ultimate coping guide to gearing up your career.

From reader reviews:

Alison Caulfield:

Information is provisions for folks to get better life, information currently can get by anyone on everywhere. The information can be a knowledge or any news even restricted. What people must be consider if those information which is from the former life are hard to be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you receive the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take Going Back To Work: A Survival Guide for Comeback Moms as your daily resource information.

Ann Bland:

Why? Because this Going Back To Work: A Survival Guide for Comeback Moms is an unordinary book that the inside of the publication waiting for you to snap that but latter it will jolt you with the secret the idea inside. Reading this book next to it was fantastic author who else write the book in such wonderful way makes the content on the inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your skill and your critical thinking technique. So , still want to postpone having that book? If I were being you I will go to the guide store hurriedly.

Bonnie Abramowitz:

That reserve can make you to feel relax. This kind of book Going Back To Work: A Survival Guide for Comeback Moms was colourful and of course has pictures on the website. As we know that book Going Back To Work: A Survival Guide for Comeback Moms has many kinds or type. Start from kids until teens. For example Naruto or Detective Conan you can read and feel that you are the character on there. Therefore not at all of book are generally make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading this.

Jessie Orlando:

What is your hobby? Have you heard this question when you got scholars? We believe that that issue was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person including reading or as looking at become their hobby. You need to know that reading is very important in addition to book as to be the matter. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You will find good news or update about something by book. Different categories of books that can you take to be your object. One of them is actually Going Back To Work: A Survival Guide for Comeback Moms.
