Gone Fishing Susan Duncan

Bestselling Australian author Susan Duncan is famous for making a sea change from a 25-year career in media, which included being editor of two of Australia's top women's magazines, to living in her own patch of paradise in Pittwater. *Gone Fishing* is Susan's latest novel and is set in tranquil Cook's Basin.

For bargeman Sam Scully, life in Cook's Basin is nothing short of paradise. A wonderland of golden sand and turquoise waters, battered old tinnies and wonky pontoons, it's a realm unspoilt by the modern world.

But then a notice goes up in the Square that screams 'EXCLUSIVE DEVELOPMENT!'

Paradise is about to be ripped apart.

With plans underway to build a flash resort in the heart of their community, the residents leap into action - with Sam as their leader, and a twelve-foot papier-mache cockatoo as their mascot . . . But it's never going to be easy to turn the tide of 'progress'.

Meanwhile there's trouble brewing at the Briny Caf?. Kate Jackson is struggling to come to terms with the dreadful secret spilled on her mother's deathbed. And as for Kate's co-owner, Ettie Brookbank. Well, what is happening to Ettie?

From reader reviews:

Rosa Johnson:

What do you in relation to book? It is not important together with you? Or just adding material when you want something to explain what you problem? How about your spare time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. They need to answer that question mainly because just their can do that. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this Gone Fishing to read.

Joyce Loza:

The particular book Gone Fishing will bring you to the new experience of reading the book. The author style to spell out the idea is very unique. Should you try to find new book to study, this book very appropriate to you. The book Gone Fishing is much recommended to you to learn. You can also get the e-book in the official web site, so you can quickly to read the book.

Mary Chapa:

Reading a e-book tends to be new life style in this particular era globalization. With looking at you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or perhaps their experience. Not only the story that share in the guides. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors nowadays always try to improve their skill in writing, they also doing some analysis before they write for their book. One of them is this Gone Fishing.

Richard Harden:

Many people spending their time by playing outside with friends, fun activity having family or just watching TV 24 hours a day. You can have new activity to spend your whole day by examining a book. Ugh, you think reading a book really can hard because you have to use the book everywhere? It alright you can have the e-book, getting everywhere you want in your Mobile phone. Like Gone Fishing which is having the e-book version. So , why not try out this book? Let's view.
