Anyone interested in learning to read the Hebrew Bible in its original language will find within the pages of this book all the resources needed to begin this wonderful journey. The book is laid out in four parts. The first part teaches the Hebrew alphabet through a series of lessons. The second part teaches word and sentence structure of the Hebrew language by breaking down each Hebrew word in Genesis chapter one, verses one through five. The Hebrew text of Genesis chapter one is provided for reading and comprehension practices in part three. The fourth part of the book contains charts and dictionaries of prefixes, suffixes, words and roots of the Hebrew language to assist the reader with vocabulary definitions and comprehension. Within a short amount of time the Hebrew student will soon be reading the Bible through the eyes of the author rather than the opinions of a translator.
