Nursing Leadership and Management: A Practical Guide Patricia Carroll

Nursing Leadership and Management: A Practical Guide provides brief yet wide-ranging content on core leadership and management principles and applications. Written by an experienced leader in the nursing profession, the book addresses the challenges you face today in your interpersonal and therapeutic relationships. Current trends, such as the rise of the nurse entrepreneur and the use of magnet hospitals, are presented in a concise, inexpensive, and easy-to-understand format. Key terms, summary points, review questions, and critical thinking questions help you review and retain information. This compact, self-paced resource covers the same broad content areas as larger texts, but in a more succinct, economical, and logical format.
