After Her: A Novel (P.S.) Joyce Maynard

Marin County, California, summer, 1979. When young women start turning up dead on the mountain behind the home of Rachel and her devoted eleven-year-old sister, Patty, their father—a larger-than-life, irresistibly handsome (and chronically unfaithful) detective—is put in charge of finding the "Sunset Strangler." Watching her father's life slowly unravel as months pass and more women are killed, Rachel embarks on a dangerous game to catch the killer. Her actions will destroy her father's career and alter forever the lives of everyone she loves. Thirty years later, believing that the wrong man was arrested for the crimes, leaving the true killer at large, Rachel constructs a new strategy to smoke out the Sunset Strangler and vindicate her father—and discovers more than she bargained for.

Loosely inspired by the Trailside Killer case, *After Her* is part thriller, part love story—a poignant, suspenseful, and painfully real family saga that traces a young girl's first sexual explorations, the loss of innocence, the bond shared by sisters, and the tender but damaged relationship between a girl and her father that endures even beyond the grave.

From reader reviews:

Veronica McFadden:

What do you consider book? It is just for students since they're still students or the idea for all people in the world, the particular best subject for that? Only you can be answered for that concern above. Every person has diverse personality and hobby for each other. Don't to be compelled someone or something that they don't want do that. You must know how great as well as important the book After Her: A Novel (P.S.). All type of book can you see on many options. You can look for the internet methods or other social media.

James Lindberg:

Information is provisions for individuals to get better life, information these days can get by anyone in everywhere. The information can be a know-how or any news even restricted. What people must be consider whenever those information which is within the former life are hard to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you obtain the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take After Her: A Novel (P.S.) as the daily resource information.

Betty Serrano:

People live in this new moment of lifestyle always aim to and must have the spare time or they will get lot of stress from both way of life and work. So , if we ask do people have spare time, we will say absolutely without a doubt. People is human not really a huge robot. Then we question again, what kind of activity do you possess when the spare time coming to anyone of course your answer can unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative in spending your spare time, typically the book you have read will be After Her: A Novel (P.S.).

Connie Curtis:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this After Her: A Novel (P.S.) can make you sense more interested to read.
