As the National September 11 Memorial and Museum in New York City states on a wall near the victims' remains, "No Day Shall Erase You from the Memory of Time". This is the object of every 9/11 memorial, and the object of *New Jersey 9/11 Memorials - A Photographic Guide*.

A portion of the profits of this book go to unfinished or underfunded New Jersey 9/11 memorials.

From the Foreword by Thomas H. Kean, former Governor of New Jersey and 9/11 Commission

Chairman "This book contains many of these memorials. As we look at these designs and read the inscriptions we are brought back to that tragic day. We remember once again the victims and those brave people who rushed into the buildings to save them. In these monuments we once again remember best and the worst of that day. The diversity is wonderful. Each community expresses its loss in a different way. Each recalls the story for its children and grandchildren. Each tells us in their own way that we must never ever forget those loved ones who we lost that clear September morning. As many of the monuments remind us,

it's about 'remembrance and rebirth'."
