The Boy Who Stole His Flesh Back: Part Two (Myth Book 2)

Stephen E. Tull

The Boy Who Stole His Flesh Back: Part Two (Myth Book 2) Stephen E. Tull

A dark re-imagining of mythological Greece. The lives and deaths of two princes in the brutal north, where the abominations live.

When gods damn a king, they don't just burn the throne.

Anaxos saved his brother from the gates of hell and he's starting to regret it now...

Because the old king is gone and Kalathos has taken his place. Because his first order banished Anaxos to the mines.

They both came back from the Underworld, but they didn't come back the same and they didn't come back alone. Kalathos is hunted. The things the Witches sent will drag him into madness before they drag him back into death; and though there is word of half-breeds stirring once more in the Dark, the blood debts of the goat clans are nothing now to the shadow of the king.

It will fall to Anaxos to save him again - the king who imprisoned him, the brother he died for - save him and everything else this time. But out in the wild east of Ixia, as a prisoner in the gloomy tunnels of the Chasm, or as a fugitive amongst the Night butchers who once protected him and the centaurs who once wanted him dead, he'll have enough problems saving himself.

An epic, action-packed coming of age story about brotherhood and sacrifice, Book One of the Myth series unfolds across three volumes.
