The Gospel of Thomas David F. Capps

The historical Jesus taught a system of spiritual transformation which is preserved in the Gospel of Thomas. The understanding of the sayings is embedded in the mystical nature of the mystery school system in place during the time of Jesus. The author of this book renders these sayings into simple, understandable explanations, providing profound insights into the transformative process that leads to spiritual mastery. The simplicity of the exercises at the end of the book belies the true transformational power contained within them. Ultimately, as this book demonstrates, the journey back into the full presence of God and the Kingdom of Heaven must be simple if it is to be available to all.
