The Sea-Wolf

Jack London

The Sea-Wolf Jack London

In one of the greatest sea stories ever told, a writer discovers his true nature in confrontation with a mad ship captain

As Humphrey van Weyden rides a ferry across San Francisco Bay, he reflects proudly on the publication of his latest essay in the *Atlantic*. When a sudden collision rips a hole in the ship's hull, the ferry sinks like a stone, throwing the literary critic into the icy harbor. Rescued by the *Ghost*, a seal-hunting vessel, van Weyden counts his blessings. Little does he know he's boarded a ship bound straight for hell.

Brilliant and amoral, Capt. Wolf Larsen rules the *Ghost* with an iron fist. Forced into backbreaking service as a cabin boy, van Weyden watches helplessly as Larsen terrorizes his crew. But when mounting tensions finally result in outright mutiny, the mild-mannered intellectual will be forced to take a stand against the ruthless tyrant who saved his life.

A rousing tale of adventure inspired by author Jack London's own maritime experiences, *The Sea-Wolf* has influenced writers including Ernest Hemingway, George Orwell, and Jack Kerouac.

This ebook has been professionally proofread to ensure accuracy and readability on all devices.
