Dick Enberg: Oh My! Dick Enberg

What does a play-by-play announcer do when he loses his voice during a basketball telecast? If you are Dick Enberg, suffering from a cold with a voice reduced to croaks and whispers as you try to call your fourth game in two days, you turn to your broadcast partner, the eccentric Al McGuire, during a commercial and ask him to take over. You have never missed a game, but your voice is nearly gone, and you fear the squawking sound that is left must be driving viewers crazy. You get no sympathy from McGuire, however. He shakes his head at your plea. "Dicksie," he says, "if you're goin', I'm goin'." So you have no choice. You finish the game. In 50 years of broadcasting, it is the only time that Enberg has come close to missing even one minute of a broadcast.

A tireless worker whose boyish enthusiasm for sports has never diminished, he is the most versatile sportscaster in America. He has called everything from baseball to tennis in a career that has taken him not only all over the country, but also all over the world. Since he first walked into a radio station to apply for the job of janitor (and wound up on the air), Enberg has called football games in weather so frigid that his coffee froze before he could drink it, been challenged to a fight by an irate baseball player, led the Notre Dame band in a rendition of "The 1812 Overture," and been threatened with ejection at Wimbledon because he was shouting too loudly into his microphone.

Those stories and hundreds more are told in *Dick Enberg, Oh My!*, with wit and candor, as Enberg not only relives some of sport's greatest moments, but takes readers into the booth and behind the camera.

"Sportscasting is a kid's dream come true," he says, "which is one of the reasons that I keep doing it. I can't let my dream go. I'm still in love with what I do."

Dick Enberg, Oh My! also includes an in-depth interview with Dick Enberg that will take readers Beyond the Book. This very candid, personal interview will give fans even more insight into Dick's life. Highlights from the DVD include hilarious stories about some of the biggest names in the history of sports. This is a true must-see.
