The Night Before Christmas Scarlett Bailey

All Lydia's ever wanted is a perfect Christmas... So when her oldest friends invite her to spend the holidays with them, it seems like the answer to her dreams. She's been promised log fires, roasted chestnuts, her own weight in Christmas candy – all in a setting that looks like something out of a Christmas card, the heart of the beautiful Lake District.

And perhaps this coming together of oldest and best friends is just thing the four friends need. Katy is stressed out about starting a new business; Alex is seven months pregnant; Joanna thinks perhaps the boyfriend she's bringing might, at last, be 'the one'; and Lydia's hoping that an idyllic Christmas might just rekindle the passion in her romance.

However, Lydia's Winter Wonderland is about to be ruined by the ghosts of boyfriends past, present and potential future. She's snowed in with her current boyfriend, her old flame and a hunky stranger. Well, three (wise) men is traditional at this time of year...

"A delicious Christmas read!"--Trisha Ashley, author of TWELVE DAYS OF CHRISTMAS
