The Sea and the Sand

Christopher Nicole

The Sea and the Sand Christopher Nicole
The Caribbean, 1800.

The spirit of Harry McGann lives on in his son Toby. Protecting Yankee shores from rogue French ships, he's seen more action in his nineteen years than his father ever saw in a lifetime.

But his destiny is set to diverge from his father's in more ways than one. A chance meeting with the beautiful Felicity Crown, daughter of British navy-Captain, sets him on a path of reuniting the family with his father's old foe.

Times have changed, however, and a new threat to American interests stalks the seas. Barbary pirates operating out of Tripoli have cast their net wide over the Mediterranean, disrupting trade, plundering merchant ships and placing men and women into captivity.

When Felicity's ship is over-run and Felicity herself sold off to harems across North Africa, the war with these pirates becomes deeply personal for Toby. He believes Felicity is alive and he is prepared to cross the sea and the sand to find her.

But Felicity's cruel masters will not relinquish her without a fight.

The Sea and the Sand is the epic sequel in the McGann saga.

Praise for Christopher Nicole:

'A sensual, passion-packed saga!' – Publishers Weekly

'Sex and violence... fast-paced, entertaining, appealing!' – Library Journal

Christopher Nicole was born and brought up in British Guyana and the West Indies. His output of books has been prolific and many of his novels are historical with a Caribbean background.
