What happens when one dog roams the countryside and makes a home for himself in every house? How can so many different people find themselves drawn together and become friends? What is it about this dog that makes people love him, whether they want to or not? Bailey is a city dog brought to the country, and he finds that it suits him better. Before long he's roaming the woods and fields of the Hill, making friends everywhere that he goes. Wherever he visits he finds sadness and grief, but when he leaves, people's lives are changed forever. Whether it's the old man who lives alone or the grieving widow who looks for happiness in a bottle of wine, Bailey comes into their lives and shakes it up, making them better people just because he's there. Each person believes they are the only ones that Bailey visits, but just how long will it be until he gets caught? And what will happen when everyone learns the truth? Based on the life adventures of a real dog, "The Secret Life of Yellow Dog" is a tale of love, acceptance, and understanding as people collide and clash, all over a single dog.
