How did a fifty-six-year-old mother find herself in bed with a strange Italian? How did she survive riding in a car for five hours with a psychic who claimed that she was the devil? What happened when she left her granny panties on the bathroom sink of some boys who were too drunk to know she was there? What happened when she looked out the window of the moving train to see her daughter clinging to the side? Two Nuts in Italy recounts these crazy adventures and many, many more! When Sue Ellen Haning's daughter, Jenny, invited her to backpack through Italy with her for the three summer months, she hesitantly agreed. Their plan was to take a backpack, a little cash, no credit cards, stay in homes of Italians they did not know (or sleep on park benches if necessary), have no itinerary, and stay in small towns for the full cultural experience. They would take advantage of opportunities as they happened and experience a summer of learning, adventures, and wonderful memories while just drifting with the wind. Through Two Nuts in Italy, you will be able to join them on their exciting, no-holds-barred journey in the Italy few of us will ever get to experience!
