Finding God in the Lord of the Rings Kurt Bruner, Jim Ware

Recently named the number-one piece of twentieth century literature, The Lord of the Rings trilogy is more than a great story. It's a much-needed reminder that, like J. R. R. Tolkien's hobbits, we Christians are all on an epic quest. In examining the Christian themes in the trilogy, authors Kurt Bruner and Jim Ware find that truth and fiction are not as far apart as they seem. And that although Tolkien never intended for these books to present the gospel, when read in the light of Scripture they offer a rich tapestry of redemption, values, and faith against all odds from which we may learn much.
