Force Majeure (Apprivoisé) (Volume 3) Arden Aotide

Force Majeure takes us on a lustful journey of near obsession, past the normal niceties of sex and romance. We are treated with a tiny intense glimpse into the mind of Jefferson Rainier. A mind both intricate and simple. He knows the rules, but doesn't always seek to understand them. He's a sexual savant, but his day job working in a tech field never earns him a second glance. With a little help from Alex and Dahlia, he's noticed for the first time by the woman who occupies his mind relentlessly. Evan Monroe is looking for more in her life, but is unconvinced there is such a thing. She is bored, and unnecessarily jaded. But, she'll try anything once; twice if you begged. She is charmed by Jeff's smile, and entranced by his quirks that most everyone else in his life has refused to accept. Jeff is a force and she is more than happy to be consumed. Force Majeure tries to define love, but by the end you will learn that it is only the tip of the iceberg.
