"Moon shine on me, Ghost. When you look at me like this, how can I even think of anything but making love to you?"

Ghost is content to spend all his free time in bed with Gerry. But scandal and hate surrounding Ghost's appointment as the first male witch and a deadly epidemic force Ghost to make choices that might cost him Gerry's love.

Spurred on by a message from his mentor, Ghost embarks alone on a journey through mystical underground tunnels and lost civilizations to the frozen lands of his origin, seeking a way to neutralize the threat back home. While he struggles to find a balance between his duties as a witch and his calling as a seer, all Ghost really wants is to return to the haven he has found in Gerry's arms.
