Literary Readings of Billy Wilder Georges-Claude Guilbert

Billy Wilder, hailed by most as a great filmmaker, often considered himself primarily as a writer. Yet to this day no publisher had thought fit to release literary interpretations of his work. Such an endeavor was clearly missing. The idea of this book is to offer academic but non hermetic readings of nine of his most significant films, informed by literary criticism, Gender Studies, semiotics, Film Studies, and the artistic sensibility of its contributors. Literary Readings of Billy Wilder should please film students, English students and Wilder fans alike.
