The Animal Desk Reference: Essential Oils for Animals Melissa Shelton DVM

This is the SOFTCOVER version of the original Animal Desk Reference book. The "ADR" is written by Holistic Veterinarian Melissa Shelton - describing the many ways that Essential Oils are used for animals - especially pertaining to the French Model of Aromatherapy. Young Living Essential Oils and products are specifically described in this reference - making it very similar to the Essential Oils Desk Reference book for humans. Information for the use of essential oils is included for every species of animal - from fish and cats, to dogs, horses, and elephants. General techniques and methods are thoroughly described in this easy to read book. Discussions on safety and monitoring of animals during the use of essential oils are also covered.

Beulah Scherr:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Animal Desk Reference: Essential Oils for Animals can make you really feel more interested to read.
