The Art of Art Therapy: What Every Art Therapist Needs to Know

Judith A. Rubin

The Art of Art Therapy: What Every Art Therapist Needs to Know Judith A. Rubin

The Art of Art Therapy is written primarily to help art therapists define and then refine a way of thinking about their work. This new edition invites the reader to first consider closely the main elements of the discipline embodied in its name: *The Art Part* and *The Therapy Part*. The interface helps readers put the two together in an integrated, artistic way, followed by chapters on *Applications* and *Related Service*. Included with this edition is a DVD containing two hours of chapter-related video content.
