Clark Ashton Smith

The Tsathoggua Cycle: Terror Tales of the Toad God (Call of Cthulhu Fiction) Clark Ashton Smith

Can a god be a pet? Even a devil-god who relishes human sacrifice? It is hard to deny that for his creator and godfather, Clark Ashton Smith and H. P. Lovecraft, Tsathoggua was exactly that. They found the Saturnian-Hyperborean-N'klaian toad-bat-sloth-deity as cute and adorable as horrific, and this strange ambivalence echoes throughout their various tales over which Great Tsathoggua casts his batrachian shadow! Some are droll fables of human foibles; others are terrifying adventures of human delvers who perish in the fire of a religious fanaticism fully as awful as its super-sub-human object of worship. Tsathoggua has inspired many types of stories in many moods. And not just by Smith and Lovecraft! In this arcane volume you will read Tsathogguan tales old and new by various writers, chronicling the horrors of the amorphous amphibian's descent into new decades and deeper waters. The mere fact that such a thing is possible attests mightily the power of the modern myth of Tsathoggua, and the men who created him!
