The Voices in My Head: A story of triumph over tragedy and beating the odds in Las Vegas Danny Gans, R.G. Ryan

Danny Gans poured his energy into everything he loved, from his family to his faith, from baseball to his career in entertainment. When it came time to document his life story, he poured his energy into this project as well. Sadly, one day after this manuscript was completed, Danny died. His inspiring story remains, offering a compelling mix of touching tales and life lessons. From the baseball diamonds of his youth to his sold-out stardom on the Las Vegas Strip, Danny charts the struggles and successes of his life. Along the way, he tells us of the heartwarming courtship of his wife, Julie, and his close relationships with his father and mother. An uncommon gift as an impressionist lifted "The Man of Many Voices" to the pinnacle of the Las Vegas entertainment industry, where he will be long remembered as a much-loved performer and a generous man. Here is the story of Danny Gans, told in his own voice, and from his own heart.
